Re: United States v. Adamson, et al
19 Cr 702 (GHW)

Your Honor:

We write to revise our request for an adjournment of Jamal Adamson's sentencing based on new information about the Court's availability. As the Court will be on trial during the month of March, we request an adjournment of the sentence currently scheduled for February 6, 2023, to February 28, 2023 at noon, which is a date and time convenient to the Court. We also request leave to file the defense submission two weeks in advance on February 14, 2021 and for the government's submission to be filed a week in advance on February 21, 2023.

The adjournment is sought to give the defense additional time to prepare and file a sentencing submission. We anticipate that this will be our final adjournment request and expect to be prepared to proceed at that time.

The government, by Peter Davis, Esq., consents to this request. Therefore we ask that the Court adjourn the sentence to February 28, 2023 at 12:00.

Respectfully,

Lisa Scolari

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 136.

SO ORDERED.
